CAMP ALLEGHENY FINANCIAL AID REQUEST FORM

PLEASE PRINT CLEARLY and MAIL TO THE ADDRESS ABOVE

Financial Assistance—Camp Allegheny staff and board of directors are absolutely committed that every child should have the opportunity to come to camp. Cost should not prohibit them from coming. Due to generous donors, we have financial assistance that we can provide. Our goal is to partner with parents and churches to ensure that EVERY child can come to camp. Since every situation is different, we do not have a minimum or maximum amount we will provide. Assistance will be determined by individual circumstances and available monies in the Campership Fund. Financial aid from the Campership Fund will be applied to the amount owed for the camper’s registration prior to final payment.
